

BRILLIANT® HIGH GLOSS PANELS

BRILLIANT® is a brand new high gloss acrylic surface. The high gloss creates a truly timeless and "brilliant" effect.

BRILLIANT® has various applications because of its ease of handling and installation.

BRILLIANT® is covered with a protective film that protects the surface during manipulation.

BRILLIANT®:

- * **Outstanding depth of gloss effect**
- * **Feels pleasantly warm**
- * **Fully coloured**
- * **Various applications**
- * **Hygienic**
- * **Recyclable**
